

ANTEC - Call For Papers

The Medical Plastics Division

The Society of Plastics Engineers

ANTEC 2009 will be held in conjunction with NPE 2009: The International Plastics Showcase at McCormick Place in Chicago, IL on June 22-26, 2009.

The Medical Plastics Division of SPE is requesting papers.
Topics of interest include:

Optimized Products Device Applications

- Device design
- Microfluidics
- Polymer filters and membranes
- Surface modification
- Orthopedics

New materials

- Nano-materials
- Pharma-polymers
- Device coatings
- Materials development
- Drug Delivery Efficiency
- Replacement of Metals
- Resorbables

Practical Manufacturing

- Material selection
- Design for manufacturing
- Process Optimization
- Regulatory issues
- Assembly techniques
- Bonding and Joining
- Sterilization issues
- Failure prevention/analysis
- Aging and performance

Commercial Product and Application Overview Session

- New Products
- Material Applications
- Device Applications
- Product Enhancement
- Material Performance
- Healthcare Applications

September 1, 2008 5:00PM EST is the deadline for abstract submission.

November 14, 2008 5:00PM EST is the deadline for paper submission.

Contact: Norris M. Tollefson if you have questions: (678) 415-3784
or email: norris.tollefson@cibavision.com

For more information on ANTEC: <http://www.4spe.org/conf/antec09/>
Paper submission and review is done entirely online at:
<http://www.4spe.org/conf/antec09/09callforpapers.php>

***An abstract is required by
September 1, 2008 in order for
your paper to be considered.***

***Note that deadlines are
earlier than usual this year.***
