**Rewarding Excellence**

Presented at the Polymer Industry Dinner to be held at the Hilton Metropole Hotel, NEC Birmingham on Wednesday 1<sup>st</sup> October 2008

**Final date for entries: 30<sup>th</sup> June 2008**

# SPE STUDENT AWARD ENTRY BRIEF

## INTRODUCTION

The Society of Plastics Engineers has as its objective " **...to promote the scientific and engineering knowledge relating to plastics.**" and recognises that high standards of achievement during higher education will benefit the future Plastics Industry.

## OBJECTIVE

This Award is set out to stimulate and encourage students on courses with a significant polymer content to achieve high standards in preparation for entry into the Plastics Industry.

## SCOPE OF THE AWARD

The Award will be given to student achievements during the past academic year, based on course tutor recommendation. Each nominated student must prove their commitment to their studies and present a resume of their extraordinary achievement during the year. Multiple entries will be encouraged from each course/student year and judging will take place in July. Students having previously won achievement awards may be re-entered for future awards if they can prove continuous achievement.

## PUBLICITY OF AWARD

The Award should be publicised to all students studying polymer related courses and students are encouraged to present their case to course tutors and lecturers for possible recommendation.

## THE AWARD

The winning student will be invited to the Polymer Industry Dinner at the Metropole Hotel, NEC, Birmingham on Wednesday 1<sup>st</sup> October 2008 (during Interplas Exhibition) to receive their achievement certificate and prize.

## PANEL OF JUDGES

The Chairman of the Awards will be the President of SPE UK & Ireland Section. The Panel of judges will consist of invited individuals drawn from SPE and other organisations associated with the plastics industry.

## HOW TO ENTER

Course tutors should forward entry details of their recommendation by **30<sup>th</sup> June 2008** at the latest to.
