

Maz Bolourchi is currently the Technical Director for Plastics & Rubber segment at IMERYS Performance Mineral Americas located in Atlanta, Georgia. He and His team's current focus includes the development of new mineral solutions for improved mechanicals, thermal, rheological, aesthetics, cost/sustainability, and flame retardant extension for various markets including Automotive, E&E, and Bldg./Const. applications.

Prior to joining IMERYS, Maz spent 13 years at PolyOne Corporation, now Avient with varying roles including screening breakthrough technologies, formulation, and process engineering. Maz holds a B.S. in Chemistry from the City University of New York and a M.S. in Chemical Engineering from Cleveland State University.
